It is a recognized vocational qualification."
- ✓ The Higher Nationals are fully accredited by the Qualifications and Curriculum Authority (QCA) and the Office of Qualifications and Examinations Regulation (Ofqual). Ofqual is a department of the UK government.
- ✓ Learners will earn the HND and 240 College Credits at Aim university Group and advance directly to the third year of University in Canada, the USA, and the UK for the bachelor's degree. This is a perfect study abroad opportunity.
- ✓ Classes for the HND can be attended: a) entirely online, b) mix of online and on-campus, or c) distance learning.
- ✓ Students moving to a UK University will join a three-year degree program, and thus, will enter the final year to top-up to the BA Honours Degree in little as eight months.

- ✓ International Students seeking to work while studying in Canada and the UK are allowed to work for 20 hours during classes, 40 hours while on break, and two years full-time after graduating.
