STUDY ABROAD OPPORTUNITY

UNDEGRADUATE | HIGHER NATIONAL AND DEGREE TOP-UP

The Level 5 Higher National Diploma in Healthcare Practice offers students three specialist pathways designed to support progression into relevant occupational areas or on to degree-level study. It provides the knowledge and skills for a range of careers in Integrated Health and Social Care, Nursing or Healthcare Assistant Practice, Public Health and Health Promotion, and Healthcare Management. You will progress with this HND directly to final year/s of the BA (Hons) Degree In Healthcare Practice or a related area. Courses include Fundamentals of Anatomy and Physiology, Law, Policy and Ethical Practice in Healthcare, Supporting the Individual Journey through Integrated Health and Social Care, Providing Outpatient and Community Care, Nursing – Principles and Fundamentals of Practice, Health Psychology, Managing Quality in Care Environments, and more.

The HND is 24 Months, and the BA (HONS) degree top-up is 8-12 Months. The HND is US\$1,830 per year for face-to-face and online studies. Distance learning is \$1,500 per year. Entry requirements is either four (4) CSEC Subjects with English, SAT, GED, or prior learning pathway for mature students. The HND is offered distance learning and online from anywhere you live. Face-to-Face tutorials are in Kingston, Jamaica, and Fort Lauderdale Florida. Final year to top-up the degree can be done in Canada, USA, and UK. International students can study and work abroad - 20 hours weekly during classes, 40 hours while on break, and for two years after graduating.

ACADEMIC AND PROFESSIONAL CONTEXT

Pathway	Job Roles
Integrated Health and Social Care	Senior care assistant, senior support worker in a range of health and care settings, pathway tracker, integrated support worker, care navigator or coordinator
Public Health and Health Promotion	Health educator, public health practitioner, wellbeing coordinator, voluntary sector field worker or research assistant, health improvement officer
Healthcare Management	Lower non-clinical managerial, coordinator and supervisory roles in healthcare administration, operation, and support services, e.g. information, office, patient services, estates, health improvement services
Nursing	Providing additional requirements are met, senior healthcare support/assistant or nursing assistant/auxiliary roles in a range of areas of specialism, e.g. adult and community nursing, clinical support, midwifery support, rehabilitation services

The Level 5 Higher National Diploma is recognised by Higher Education providers as meeting admission requirements to many relevant health and social care-related courses, for example:
