AimU Financial And Enrollment Agreement

The Financial And Enrollment Agreement between the American Institute Of Management And Science University Group and the Student and Parent/Financer

The Terms of the Financial And Enrolment Agreement

1. Students studying on an undergraduate program must take the prescribed courses and classes as directed by the institution in its course publications for individual programs.
2. Tuition quoted is the annual cost of studying distant learning at The American Institute Of Management And Science University Group, the institute which carries out the instruction and internal assessment of the OTHM University Pathway Programs.
3. Tuition EXCLUDES retaking classes due to failed courses, supplemental paper, late submission of coursework, or penalty for late payments. The course deadlines, penalties and conditions of passing are in the Assignment Briefs. Late Penalty of £10 is added every Monday on late payments or outstanding balances after the scheduled and published deadline has passed.
4. The Level 7 MBA Pathway has six (6) courses and will take approximately 8-12 months for the course of study. Students do 2-3 Courses on a Semester. The semester is half of the school year. The school year is eight months.
5. External Fee is charged for the UK Awarding Organization (e.g., OTHM/BTEC), for registration, external assessment of coursework, certification, and award of the postgraduate diploma. The external fee is paid within the first month of commencing the program. However, students with financial constraints may pay this anytime within, but no later than the end of semester one, and with the late fee of £50.
6. Students who complete the Level 7 Diploma will advance to final year/s of the master's degree at a US, Canadian or UK University. The degree top-up usually takes one year for the MBA degree at a UK University. The tuition and fees are directly set by the said University.
7. REFUND RULES: Refund Request Forms are available on the enrolment page at www.aimuniversitygroup.org. All Refund requests must be submitted before the start of week three of the new College Year. The refund amount is calculated on the annual tuition and not the amount that you deposit. The payment plan that you are using provides the annual tuition used in the refund calculation. The refund period is calculated from the date that the semester started, and not the date that you commenced classes.
8. The Refund/Withdrawal Policy specifies that: The £30 Application fee AND £250 Holding Fee are non-refundable and non-transferable. Tuition paid by the student includes tuition and holding fee. Two weeks before the start of the semester and up to the end of week one, 90% of the annual tuition (less the holding fee) is refundable. In week two of the semester, 50% of the annual tuition (less the holding fee) is refundable. At the start of week three of the semester, 0% of the annual tuition is refundable. Example, you are on the two-part payment and requested a refund one week prior to the start of class. The published Tuition is due before you start the semester at beginning of a new school year.
9. At end of your program, you have a grace period of three months to complete all outstanding coursework. Thereafter, for each additional semester you are charged GBP £325 for continuing fee and until you have submitted and passed all outstanding coursework and becomes a Candidate for the Level 7 award.
