*The Financial And Enrollment Agreement between the American Institute Of Management And Science University Group and the Student and Parent/Financer*

---

## The Terms of the Financial Agreement

1. Students studying on an undergraduate program must take the prescribed courses and classes as directed by the institution in its course publications for individual programs.
2. REFUND RULES: Refund Request Forms are available on the enrolment page at [aimuniversitygroup.org](http://aimuniversitygroup.org). All Refund requests must be submitted in writing to [enroll@aimuniversitygroup.org](mailto:enroll@aimuniversitygroup.org) before the start of week three of the new College Year. The refund amount is calculated on the annual tuition and not the amount that you deposit. The payment plan that you are using provides the annual tuition used in the refund calculation. The refund period is calculated from the date that the semester started, and not the date that you commenced classes.
3. The Refund/Withdrawal Policy specifies that: The \$30 Application fee AND \$250 Holding Fee are non-refundable and non-transferable. Tuition paid by the student includes tuition and holding fee. Two weeks before the start of the semester and up to the end of week one, 90% of the annual tuition (less the holding fee) is refundable. In week two of the semester, 50% of the annual tuition (less the holding fee) is refundable. At the start of week three of the semester, 0% of the annual tuition is refundable. Example, you are on the **two-part payment** and requested a refund **one week** prior to the start of class. The **non-refundable** portion is: Tuition of \$1,400 - \$250 (HF) = \$1,150 x **10%** = \$115. You paid \$700 – (\$250 + \$115) = **\$335 is the Refund**. The published Tuition is due before you start the semester at beginning of a new school year.
